PROPERTY BROKER – SHIPPER TRANSPORTATION AGREEMENT

Broker represents and warrants that it is an independent contractor under this Agreement and that its agents and/or employees are under Broker's exclusive management and control, and that Shipper neither exercises nor retains any control over Broker, its operations, agents or employees in any manner whatsoever.

Broker shall make reasonable efforts to place Shipper's loads with responsible carriers for the purposes of transporting the loads with reasonable dispatch under the direction of Shipper. However, the parties understand and agree that Broker, by signing this Agreement, makes no express or implied warranties or guarantees concerning delivery time or the locating of a carrier to provide the transportation services requested by Shipper.

In the event of a cargo loss, damage or shortage claim, Shipper agrees to notify Broker immediately by phone and to subsequently submit to Broker a written claim, fully supported by all relevant documentation, including but not limited to the signed delivery receipt, listing the nature and cause of the claim for cargo damage within twenty (20) days following the date of delivery. No claims or allowances for shortages, damage or delay will be considered unless clearly noted on the delivery receipt or bill of lading signed by the consignee at delivery. Broker assumes no liability for cargo loss, damage, or shortage. However, Broker agrees to submit, negotiate and settle all cargo claims with the responsible carrier and to keep Shipper advised of the status of all such claims. Nothing herein shall be construed to restrict any right or cause of action Shipper may have against any carrier involved with the transportation of Shipper's shipment.

Unless otherwise agreed in writing, all shipments tendered shall be accepted on a bill of lading acceptable to Shipper as the shipping document. In the event of a conflict between the bill of lading terms and this Agreement, this Agreement shall prevail. Upon request of Shipper, Broker shall require all carriers to obtain a delivery receipt from the consignee, showing the products delivered, condition of the shipment and the date and time of such delivery.
